

## Questionnaire on Areas of Interest for Document Development and Drafting Assistance

(Please fill in all sections)

SPECIFIC TYPES OF DOCUMENT DEVELOPMENT AND DRAFT RESOURCE ASSISTANCE	AREA OF INTEREST?	
	Yes	No
1. Assistance with front-end issue research to clarify history of the issue; areas of concern; areas of agreement.		
2. Research on background of the specific question being addressed -- what has ICANN and ICANN communities done or said on the specific issue or similar issues in the past.		
3. Individually-focused assistance in identifying key areas of concern or priority for the specific community		
4. Preparation of "issue overview" one pagers to assist community in identifying and assessing key elements and specific areas of impact		
5. Join community calls/online chats on the specific issue where "position-setting" is focus -- keep notes of the call/chat and prepare report for circulation to community members		
6. Assistance with the formulation and drafting of the initial community response on specific issue		
7. Assistance with collecting and inventory of community comments on draft document		
8. Assistance with edits and revisions to the initial document to incorporate comments from the community.		
<b>SCOPE OF DOCUMENT DEVELOPMENT ASSISTANCE PROGRAM</b>		
9. Do you consider 100 hours of assistance over a four month period to be enough to enable your community to participate in the ICANN document and drafting process to a greater degree?		
<b>NECESSARY STRUCTURE WITHIN COMMUNITY TO UTILIZE DRAFTING PROGRAM</b>		
10. Is your community able to designate a dedicated policy liaison to work directly with drafting resource?		
11. Does your community have a policy board or working group to provide direction for utilization of the drafting resource?
