Expression of Interest (EOI)

NCUC Delegate to Join the 2024 Nominating Committee

By submitting my personal data, I agree that my personal data will be processed in accordance with the ICANN Privacy Policy, and agree to abide by the website Terms of Service.

1) Name:		PASCAL BEKONO
2) Country of primary residence:		CAMEROON
3) Current employer (s):		Government of Cameroon African Center for Advocacy (NGOs), Chair Data Governance, part time Teacher
4) Current position (s)		COMPUTER & TELECOM ENGINEER
5) ICANN Activities		I am involved in many ICANN working groups. I am a member of Afralo. I am a member of GNSO, NCSG and NCUC. Working Group: - GNSO review working group (past) - Fellowship Working Group (close) - ALAC Subcommittee on Outreach - GNSO New gTLD Working Group (WT5) - Consolidated Policy Working Group - Etc.
6) My interest in participating in the NomCom		If I am selected in the **ICANN Nominating Committee**, I will bring my modest experience of more than fifteen years in the ICT arena and especially the experiences acquired within ICANN, IGF and WSIS through global and locals meetings, high level trainings, working groups, etc. All this allowed me to have a vision and an important knowledge of the global actors who influence the advancement of ICT activities in general and within ICANN in particular. And also to maintain a network of important players in the various themes related to ICT. In addition, my working experience with the civil society and government in implementing the political strategy would be an asset for the group. Representing NCUC at the NomCom will be an important challenge for me. In addition, coming from a developing country and an underrepresented community, with linguistic and cultural diversity, being a member of the **ICANN Nominating Committee** is an important responsibility that I fully appreciate. I have read the terms of reference specific to the role of NCUC delegate to NOMCOM and I am able to answer with certainty that my application meets all these criteria and I have the capacities and the dispositions to fulfill all these obligations. I have the privilege of time to participate actively in the ICANN process. And for up to 10 hours weekly to attend ICANN online meetings. I have a good quality of internet access which allows me to attend remote meetings at the office or at home as well.

7) Additional Information	Graduated in Telecom at the Ecole Polytechnique de Yaoundé Master in Computer Science at the Faculty of Sciences (UY1) Graduate in Internet Governance (EURO-SSIG) Graduate in Internet Governance (DiploFoundation) PMP ICANN Fellow, Commonwealth IGF Fellow La Francophonie ICTD Fellow Carnegie Mellon University Fellow Member of Internet Society Etc.
